**2010-2015 San Diego Regional Analysis of Impediments to Fair Housing Choice**

Under Title 1 of the Housing and Community Development Act of 1974, as amended, The City of San Diego invites citizens to participate in the presentation of the 2010-2015 San Diego Regional Analysis of Impediments to Fair Housing Choice (AI). The AI is an analysis that represents conclusions about impediments to fair housing choice, as well as actions necessary to address any identified impediments.

As an Entitlement Jurisdiction from the U.S. Department of Housing and Urban Development (HUD), the City of San Diego is required to affirmatively further fair housing objectives by compliance with fair housing laws and addressing any impediments. In order to fulfill the Federal mandate, the City is required to prepare an Analysis of Impediments to Fair Housing Choice (AI), every five (5) years. This document analyzes fair housing trends, assesses the nature and extent of housing discrimination, and identifies impediments that may prevent equal housing access within the City, and recommends actions to address specific impediments.

NOTICE IS HEREBY GIVEN that the public hearing to present the 2010-2015 San Diego Regional Analysis of Impediments to Fair Housing Choice, (AI), at a Public Safety & Neighborhood Services (PS&NS) Committee is scheduled for Wednesday, May 11, 2011 at 2:00 p.m., in the City Council Chambers, 202 C Street, 12<sup>th</sup> Floor, San Diego, CA 92101.

Public comment may be provided at the public hearing. The AI will also be available for review on the City's CDBG Program website ([www.sandiego.gov/cdbg/general/](http://www.sandiego.gov/cdbg/general/)).
